			transportation of fuel business but can assist any way they can IC might create a collection point for drop off then take away a bit at a time.
1622	OFD	IC	responding to a medical at Pileau LRT - ops up advised ops up thought that was locked? Octranspo advise this is at the William St entrance which is open.
1627	POU		has drone operator what is the direction for this - Insp Deoust no enforcement authority under Transport Canada - but in the air can deal w/ it as mischief criminal code.
1630	ops up		structure is still not gone now complaining they have no straps. IC contacted ops up about the structure ops up said if it is not gone they will not take it down
1633			- officer is calling in ops up. unsure how they will react to a time limit.
1638	ops up		went to open the Bolelet exit from Mackenzie Mac Donald Carter garage
1638			PPS have supplied approx numbers ebbing and flowing on the Hill found ratchet straps bringing them up give about 15 mins
1640			Now city saying they do not want Bolelet open City Councilors do not want trucks coming off that - IC okay ensure they know that is not a police closure.
1643	ops up	IC	vehicles on Mackenzie King Bridge
